Freestyle App Challenge

FXCM is challenging software developers to unlock the world of forex by creating innovative games & mobile apps that help the public participate in forex trading.

Using FXCM’s ForexConnect API, developers can build apps that include games, news alerts, trading functionality, currency converters, educational content, and more.

**Format:** Apps can run on iOS, Android, Windows Mobile, or a desktop or mobile browser.

$59,000 in cash & prizes

Grand Prize: $25,000    Best Mobile Trading App: $5,000
Second Prize: $10,000   Popular Choice: $1,000
Third Prize: $8,000     Large Organization Recognition Award (for organizations with 50 employees or more)
Best Game: $5,000
Best Educational App: $5,000

SUBMISSION DEADLINE: FEBRUARY 28, 2013
