To receive any credit for your exam, you must agree to and sign the following, which you must include with your answers:

**Attestation of Understanding of and Abidance by the Test Rules**

By submitting my exam, I hereby attest that:

- I have not communicated with anyone—except possibly the course instructor or teaching assistant—about the exam or its contents during the entire 48-hour exam window.

- I have not used any electronic devices while taking the exam, including, but not limited to, devices for computation or communication (exception for students with special permission).

- I have not taken more than the allotted time (usually 75 minutes) to answer questions on the exam (not including time spent printing the exam and/or scanning and uploading answers).

- I have spent the allotted time in one continuous, unbroken block.

I understand that violating the rules above constitutes a violation of class policy and the Carolina Honor Code, and the penalty for such a violation includes failure of the course and being reported to the UofSC Office of Academic Integrity for possible further sanctions.
