Spring 2014 – Turtlebot Signout Sheet

The undersigned students accept as a loan a Turtlebot robot kit. This equipment is the property of the Computer Science and Engineering Department at the University of South Carolina and must be returned complete, in the same condition, at the conclusion of the Spring 2014 semester. When checking out a kit, the group members must check the completeness of the kit and the condition of all items. It is the group members' responsibility to care for this equipment and return it at the end of the sign-out period. Failure to do so constitutes a violation of academic integrity. Groups failing to uphold this agreement will be subject to the University Disciplinary Committee and will have their grades withheld.
