

Agenda for CSCE 531 class meeting of 2020-04-14 (Online)

- 1. Remember to record the session!**
2. Check email to see whether students are emailing reports of trouble.
3. Ask student to use chat for questions and mute audio and video on their side, to limit clutter and bandwidth.
4. Virtual Office Hours. Many of you dropped in yesterday, Thank you!
5. Ask graduate students to send in proposed choices for reports or presentations. Eleven students have made their choice. (Read their names.)
6. Note that agendas for each class meeting are linked to the corresponding class log entry on the course website. Direct link: <https://cse.sc.edu/~mgv/csce531sp20/log/index.html>.
7. Students will do course evaluations online (blackboard).
8. There are several changes to the syllabus. You should have received an email about them.
9. HW7 is due on Thursday: Exercises 6.1, 6.2, 6.3 [M].
10. Ch.7 [M]. Use Cosmin Oancea's slides on Machine-Code Generation for this chapter, as modified by me.
11. Ch.8 [M]. Register Allocation. Use Cosmin Oancea's slides on Register Allocation, as modified by me.
12. Make sure that the students are fine and wait for questions before ending the session.
