- Check email to see whether students are emailing reports of trouble.
- Ask student to use chat for questions and mute audio and video on their side, to limit clutter and bandwidth.
- Virtual Office Hours. I expect to have virtual office hours on Blackboard Collaborate Ultra from 1500-1800 on Mondays. Office hours are canceled until further notice. Please email me for meetings.
- HW11: Exercises 1-3 Ch.11 [H], due on **Thursday**, November 5. (This is a **change**.)
- Ch.12 [H]: Monads and More: Functors and Applicatives.
- Video by Graham Hutton, with an introduction to Monads.
- Formal semantics: Axiomatic Semantics. A presentation based on Ch.9 (“An Introduction to Formal Semantics”) of: Carlo Ghezzi and Mehdi Jazayeri. *Programming Language Concepts*, 2nd ed. Wiley, 1987.
- Ask students to have the required textbook [H] with them during class.
- No attendance was taken for the class of Tuesday, November 3 (Election Day). The students were asked to review the lecture on the Recordings section of Blackboard Collaborate Ultra before the Thursday (November 5) lecture.
- Make sure that the students are fine and wait for questions before ending the session.
